

MEMORANDUM

TO: City of Alexander (ND2700006)

FROM: Division of Municipal Facilities  
Drinking Water Program

DATE: March 4, 2024

RE: Safe Drinking Water Act Certificate of Achievement

Public water systems, such as yours, are required by the Safe Drinking Water Act (SDWA) to take many actions to provide safe drinking water.

The SDWA was passed by Congress in 1974 to protect public health by regulating the nation's public drinking (potable) water supplies. Over the years, there have been a number of changes to the Safe Drinking Water Act. These changes have made it more challenging to maintain compliance. The North Dakota Department of Environmental Quality issues a Safe Drinking Water Act Certificate of Achievement as one way to recognize the public water systems that satisfied all applicable requirements during the previous calendar year.

In 2023, the City of Alexander satisfied all applicable Safe Drinking Water Act requirements. The City of Alexander is commended for this accomplishment from which their consumers benefitted.

To recognize the City of Alexander, the Department has issued the enclosed Safe Drinking Water Act Certificate of Achievement. Please provide a copy of the certificate to each of your water system staff. Information is also enclosed for your consideration should you wish to pursue a local news story.

Congratulations on a job well done.

For more information, please contact Greg Wavra, Drinking Water Program Manager at 701.328.5224.

## CITY OF ALEXANDER RECOGNIZED FOR SAFE DRINKING WATER ACT COMPLIANCE

Public water systems are required by the Safe Drinking Water Act (SDWA) to take many actions to provide safe drinking water.

The SDWA was passed by Congress in 1974 to protect public health by regulating the nation's public drinking (potable) water supplies. Over the years, there have been a number of changes to the Safe Drinking Water Act. These changes have made it more challenging to maintain compliance. The North Dakota Department of Environmental Quality issues a Safe Drinking Water Act Certificate of Achievement as one way to recognize the public water systems that satisfied all applicable requirements during the previous calendar year.

In 2023, the City of Alexander complied with all applicable Safe Drinking Water Act requirements. To recognize this accomplishment, the North Dakota Department of Environmental Quality issued the City of Alexander a Safe Drinking Water Act Certificate of Achievement.

The City of Alexander commends its water system staff for a job well done from which its consumers benefitted.

(Option: The water system may wish to list staff members by name.)
